# EDITORIAL

We're so excited about the World Cup we almost took our eye off the (other) ball this month. This issue was almost 100 pages of Franck Ribery and Carlos Tevez pictures. No offence, but they're no oil paintings. But then the boss reminded us that we're supposed to be all about the world's hottest women in the history of ever. So that's what we put in the magazine instead. Hopefully we made the right choice... ♣

### JACUZZI FLOOZY

*Dear Club,*

Here is a story from when I was with my now ex-girlfriend, I would like to share it with the readers. She was a very open minded young girl, when we first got together sex was off the cards and after months of waiting, the first time was pretty good. With a bit of coaxing from myself, I managed to persuade the good lady to try a few things out in the bedroom. We did the usual things of heading off into the countryside on sunny days to find some secluded spots, but the best time was after we joined the gym.

The gym in question is a relatively posh one with a lovely pool and jacuzzi, sauna and steam room, and one day after a heavy, late night session on the exercise machines we were sitting in the tub relaxing. The conversation turned to sex and Sarah started to rub my balls through my swim shorts. The swimming pool was empty apart from the attendants who were at the other side of the room dealing with the end of day paperwork, so there weren't any eyes on us.

I said to Sarah that it was a fantasy of mine to do it in a hot tub, to which she replied that she was game if I was! After a few minutes of fiddling with my balls I was now fully erect and Sarah's hand was slowly wanking me. My hand was working its way into her bikini bottoms, sliding the material to one side and starting to rub her lovely clit. She was giggling that the water was tickling her and that the staff could come along at anytime, but to be honest I don't think that either of us cared at all.

After a bit of rubbing, kissing and moaning,

### TAKE MY WIFE

*Dear Club,*

I'm not in the habit of sending marriage proposals in the post – I like to think I'm more of a 'drop to one knee' kind of gent, but as I'm not likely to bump into Vicki (*Club* 39/5) in my high street any time soon, I hope you'll forward the enclosed proposal on to her. I've got my own house and business, I'm physically fit (I've enclosed some pics for her), so I hope she takes it seriously. I'd be willing to go for a few dates first, obviously…

*Mark, Southampton*

*Mark, we're more than happy to forward on your proposal. We've done this a few time over the years, although we're not sure how many happy marriages have come about as a result. But let's have some quid pro quo. If Vicki agrees to marry you, you have to promise us you'll let her continue to flaunt her precious bits in Club. Sorry, it's a dealbreaker.*

## FLOUR POWER

*Dear Club,*
I know it's extremely adolescent of me, but I've always loved stupidly named products – classics like 'Cock Soup' and 'Bum Crisps' – they bring out the inner teenager in me. Well, nipping in to my local corner shop for a finger of fudge and some fruit pastilles, I ended up clocking this in the ethnic food products section. Do I win a free subscription?
*Jon, Vauxhall*

*Yep, we love nothing better than stupidly named products too. It's all those years spent sniggering at Private Eye. Your entry joins the elite club of classics, especially as 'Fu Fu' is one of the more specialised terms for 'fanny'. There's no free subscription – we're not made of money – but we've sent you a few packs of fruit pastilles to tide you over…*

Sarah grabbed my cock hard and as she did, she came. I immediately slid two fingers inside her wet gash and, as I did so, she demanded that she needed to be fucked good and hard. She pulled her bikini bottoms to one side and mounted me. My cock slid easily into her slippery twat and she started to ride me slowly.

I was thrusting upwards from under the water, the feeling of her slippery cunt was amazing, then as we both got a bit too excited and she started to whimper, I started to thrust harder and harder. She started to really bounce on me. The hot water and bubbles were spilling everywhere, the steam was rising all around us, her lovely 32DD tits were bouncing enticingly in front of my face. I was desperate to free them and suck on her lovely nipples like I did at home, but by now the seed was starting to rise from the bottom of my cock and with a few more thrusts I came deep inside my beautiful girlfriend.

I then came to my senses and Sarah came down from her orgasmic high and we realised that the girl in the office was indeed watching us, so we rather sheepishly got out, showered and left, never to return again. The sad part is that I'm still paying for the bloody membership even though Sarah has long since gone.

# PIECE OF ASH! ♣

***Ashley needs treating like a lady. We can do that!***

With those wonderful eyes and her sparkling wit, it's easy to overlook the fact that Ashley has got an amazing body with stunning tits and a pussy that we want to dive into face first. But not us. We're not these shallow types who only like a woman for her mind, her conversation, her 'self'.

No, we're 'new men' who like a woman for what she's got hiding in her bra and knickers. We're not nasty brutes who want to 'nurture a woman's soul', whatever that means. No, we want to break our cock off in her and then splatter her tits – to treat her like a real woman. Finally, when we glue Ashley's eyes together with gouts of molten man cum, these feminists will finally get off our backs and accept us for the sympathetic lovers we are. ♣

# PEEK-A-BOOBS!

*We want Jamie to rub our magic torch...*

It doesn't look like Jamie is having much luck in the underwear department. That bra clearly doesn't fit, and there's a big chunk missing out of her knickers. What gives?

"Well, the idea is to tease and tantalise with a glimpse of the goods," Jamie reveals. "Yeah, this bra might not be the last word in support, but lean over a table with your breasts spilling out and you'll have men eating out of your hands."

Well, we're feeling quite hungry all of a sudden...

"As for these panties, just think of the easy access! I love anal sex, so you can just pull the hole a bit wider and slide your dick right in there. You don't get that kind of action with granny pants!"

Jamie, will you please take our wives shopping? ♣

# CLUB'S ROUGH GUIDE TO...

# THE WORLD CUP

**WE'RE FOOTBALL CRAZY, WE'RE FOOTBALL MAD... WELL, MATT LOXHAM IS ANYWAY, SO YOU CAN IMAGINE HOW EXCITED HE'S GETTING ABOUT THE FORTHCOMING WORLD CUP. A LITTLE TOO EXCITED, TO BE HONEST...**

## HISTORY

The first World Cup was pioneered by Jules Rimet, the then President of the French Football Federation, and was held in Uruguay in 1930. The host nation lifted the trophy, defeating Argentina 4-2 in the final, perhaps just reward for the fact that Uruguay had paid the travel and lodging expenses for all the competing teams.

Despite this generous offer, difficulties in travelling to South America meant only four European sides took part – Belgium, France, Romania and Yugoslavia. The next two tournaments took place in Italy and France respectively – both were won by Italy – but these World Cups were similarly weakened by the fact that a number of South American teams were unwilling to travel to Europe to take part, including holders Uruguay who were at that time considered to be the best team on the planet.

The Second World War put paid to the 1942 and 1946 World Cups, but 1950 and Brazil saw its return, and a tournament notable for being the first one in which British teams took part. The Home Nations had withdrawn from FIFA way back in 1920, partly because of an unwillingness to play against the countries who'd they'd been in conflict with during the First World War and partly as a protest at the increasing foreign influence on 'our' Beautiful Game, but 30 years on and this self-imposed exile finally came to an end.

England found themselves wishing it hadn't, with a team packed with stars such as Stanley Mortensen, Billy Wright and Preston North End legend Sir Tom Finney losing in the group stages to Spain and to supposed no-hopers from the USA.

Uruguay lifted what had by now become the Jules Rimet Trophy after one of the most famous World Cup matches ever, beating hosts Brazil 2-1 in the decisive game of final four team round-robin group, the only time the tournament has ever been decided in such a way.

West Germany interrupted the South American domination by winning their first World Cup in Switzerland in 1954, but that was followed by consecutive victories for imperious Brazil teams including the likes of Pele and Garrincha in 1958 (Sweden) and 1962 (Chile), and I would like to think that by now everyone knows what happened in 1966.

Yes, England won on home soil, before messing things up against West Germany four years later when a semi-final place looked to be on the cards in a World Cup ultimately won by the Brazilians.

Host nations West Germany and Argentina also game their home crowds reason to celebrate in 1974 and 1978 respectively.

From Spain 1982 onwards the number of teams allowed to qualify for the tournament was raised from 16 to 24, but this didn't stop the next four World Cups all being won by old stagers Italy, Argentina, West Germany and Brazil.

England, meanwhile, established themselves as the heartbreak team of the World Cup through the infamous 'Hand of God' incident versus Argentina and penalty shootout misery against the West Germans, before not qualifying for the 1994 tournament in the USA.

A further increase to 32 teams in 1998 did bring about a new winner in host nation France, who defeated an uncharacteristically limp Brazil 3-0 in the final, but in Korea and Japan for the following tournament the South Americans resumed normal service, easing past England, Turkey and Germany on their way to the trophy, while the Italians bored their opponents into a stupor to prevail in 2006.

But who will play their way into the history books in 2010? Surely England can't get knocked out on penalties again. Can they?

## WORLD CUP LEGENDS

### PELE

Edison Arantes do Nascimento – it's no wonder everyone calls him by his slightly less unwieldy nickname – is widely regarded to be the greatest footballer of all time, and is the only player ever to feature in three World Cup winning teams.

Indeed, Pele set numerous tournament records in his early international career that still stand today, including becoming the youngest ever World Cup scorer, against Wales in the 1958 quarter-final aged 17 years and 239 days, the youngest ever player to score a World Cup hat-trick, which he achieved just a few days later in the semi-finals against France, and then yes, you've guessed it, the youngest ever footballer to play and score in a World Cup Final.

Pele is also still the all-time leading scorer for the Brazilian national side with a frankly awesome record of 77 goals in 92 appearances. He's also a prominent Viagra spokesman.

### DIEGO MARADONA

Whatever England fans might think of Maradona after the famous 'Hand of God' incident at Mexico '86, the fact remains that the man is a World Cup legend.

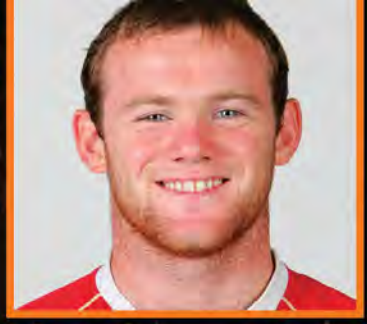
Admittedly, Maradona's performances across four tournaments between 1982 and 1994 have gone down in history for very different reasons, from his sublime dribbled goal – recognised as one of the greatest of all time by many fans – against England in the 1986 Quarter-Final, and inspirational captaincy in ultimately leading Argentina to victory in that very same World Cup, to the aforementioned handballed goal against England and his sending home from USA '94 for failing a drugs test.

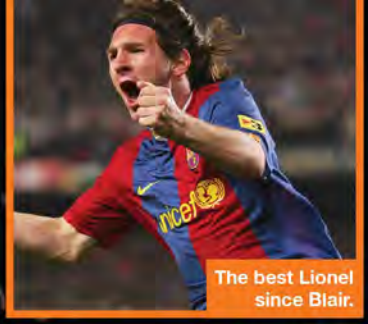
There's no doubting that Maradona was a supremely gifted player, if not the most sportsmanlike.

### GEOFF HURST

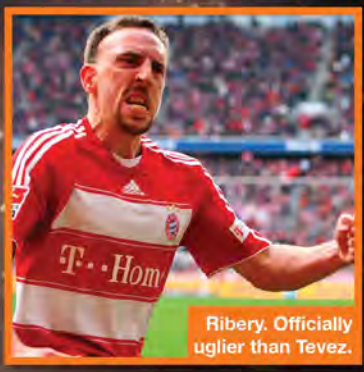
Okay, so it would be hard to argue a case for Sir Geoff Hurst being in the same league as Maradona and Pele in terms of footballing ability, but the fact remains that he's still the only player to have scored a hat-trick in a World Cup final – and he did it for England less than six months into his international career. Oh, and he wasn't even first choice striker.

Not the only thing those hands are good for.





The best Lionel since Blair.



Ribery. Officially uglier than Tevez.

Fidel Castro is rarely seen in public these days.

Hurst only got into the side because of an injury to Jimmy Greaves, but he scored the winner against Argentina in the quarter-final and set up one of Bobby Charlton's strikes in England's semi-final victory over Portugal, and was subsequently – rather controversially – selected over a fit again Greaves for the final.

The rest is World Cup history, and I'm sure we can look forward to seeing the footage at least another 200 times this summer.

## HEROES IN WAITING

### LIONEL MESSI

Considered as a natural successor to Diego Maradona – even by the great man himself – huge things are expected from Argentinian playmaker Lionel Messi at this year's tournament. Currently in inspirational form for his club team, Barcelona, if he can take those performances to South Africa then Messi will set the tournament alight this summer.

However, doubts about the overall quality of the Argentina team and Diego Maradona's ability as a manager – unbelievably, they very nearly didn't qualify for the World Cup – could prevent Messi from shining.

### FRANCK RIBERY

Zinedine Zidane has referred to him as 'The Jewel of French Football', and if Les Bleus are going to achieve anything in South Africa after cheating their way past the Republic of Ireland in the qualifying playoffs, then they'll need winger-cum-playmaker Franck Ribery to be at his shimmering best.

Awesome for his club team, Bayern Munich, in the Champions' League this season, look out for Ribery's all-action style in South Africa as he works his magic on the left flank.

### WAYNE ROONEY

With Fabio Capello at the helm and England enjoying their best World Cup qualifying campaign in years, it seems that we do actually have a realistic – rather than optimistic – opportunity of winning the tournament this summer.

Central to our chances in South Africa is Wayne Rooney, a striker who you might already know is currently playing the best football of his career for Manchester United. If he can keep his temper and avoid injury, then Rooney will terrify many a defender in South Africa with his power, pace and movement, and at the same time stake his claim to being the best centre-forward in the world. But as we've seen in the past, these are both fairly significant 'ifs'.

## SOUTH AFRICA 2010

On Friday 11th June, South Africa will kick off the World Cup against Mexico, the first ever to be held in an African country. With the hosts traditionally over-achieving, it would be foolish to write the South Africans off as the no-hopers they look to be on paper, but if they're in the final on the 11th July then I'll eat several hats, including a lofty stovepipe and a bowler.

Reigning European Champions Spain are the current bookie's favourites after qualifying for the World Cup with a perfect record of 10 wins from 10 matches, but doubts remain over the fitness of star players Cesc Fabregas and Fernando Torres.

Second favourites Brazil are always a force to be reckoned with, and with the likes of Kaka, Adriano and Robinho set to feature in South Africa, 2010 will be no different, albeit the five-time winners will have to negotiate the 'Group of Death' which also includes the Ivory Coast, Portugal and Korea DPR.

With a fairly straightforward draw, England are next fancied, although their first opponents, the USA, did defeat Spain at the Confederations Cup last year. Players of the calibre of Frank Lampard, Steven Gerrard, John Terry, Rio Ferdinand and the aforementioned Wayne Rooney, not to mention an incredibly astute manager in Fabio Capello, suggest that England could go all the way this time, but only if they've been practicing those bloody penalty shootouts.

Argentina scraped through after a highly erratic qualifying campaign which included defeats at the hands of Columbia, Ecuador, and a spanking from Bolivia, but with the talismanic Diego Maradona at the helm and looking like a lucky manager and Lionel Messi currently playing out of his skin, it's impossible to write the Argies off, and the same goes for the irrepressible Germans. They looked impressive in qualifying against Russia but fairly ordinary against a stubborn Finnish side, and it all depends which team turns up when they kick off against the Aussies, who will be no pushovers.

The best hopes of an unprecedented African victory appear to lie squarely at the feet of the Ivory Coast, who boast Chelsea's Didier Drogba and Soloman Kalou, Manchester City's Kolo Toure and Arsenal's Emmanuel Eboue amongst their ranks, but their chances may or may not be helped by having the sometimes hapless Sven-Goran Eriksson as their manager.

With the holders Italy, 2006 finalists France and Ronaldo's Portugal also in there with a shout, all in all, it looks like South Africa 2010 is set to be one of the most entertaining and open World Cups for quite some time. Anyone got a spare ticket for us? ♣

**DRUGS GANG HIT MAN TRIPS OUT**

According to New York City police, when drug-gang enforcer Hector Quinones, aged 44, recently shot and killed three men in a high-rise apartment, he allowed a woman in the apartment to escape when he tripped on the cuffs of his own baggy trouserlegs while pursuing her.

Hearing police sirens converging on the block, the hit man ceased his pursuit and climbed out onto the fire escape to make his getaway, but again snagged his feet in his trousers, this time accidentally falling off the building and landing on his neck, which snapped like a twig.

**BAT-WOMAN AND FIENDS**

Manic 49-year-old mother Linda Newstrom was recently arrested by cops in Charleroi, Pennsylvania, for allegedly swinging a genuine Louisville Slugger baseball bat at her 21-year-old son Jeffrey... because he had stumbled home drunk. Police say that she missed with the first two swings but caught Jeff a beauty round the skull with the third. "I brought him into this world," she raged as deputies bundled her into a squad car, "and I'll take him out of this world."

Meanwhile, several hundred miles south, in Wesley Chapel, Florida, there was more family fun afoot. 44-year-old Deanne Elsholz was charged with domestic battery after smashing a glass into her drunken husband David's face after he missed the toilet bowl as he stood in the bathroom, pissing like a king. Sadly, when Deanne charged at him wielding the glass and struck him, her feet slid out from under her on the urine-soaked floor... and she too was injured.

**THEME PARK SEEKS 'SMELL FROM HELL'**

Having established a live action horror maze based on scenes from the internationally successful *Saw* film franchise, the entertainment manager at Thorpe Park in Surrey, recently

announced a contest seeking, "foul-smelling urine". Laura Sinclair said she was holding the competition because she felt that the *Saw* experience was missing a, "signature stench" to "really push the boundaries" of revulsion and suggested that the pungency of any pish submitted might be enhanced after consumption of especially stinky foods such as asparagus and garlic. The park is offering 500 notes for the winning urine.

**MOULDY OLD DOUGH**

During the trial of three men who were eventually convicted at Southwark Crown Court of running Britain's biggest marijuana-importing scheme, jurors' jaws dropped as details of their operation emerged. They heard that the enterprise earned £200 million at such an incredible pace that the partners-in-crime were apparently unable to think how best to dispose of so much dosh, in spite of buying as much property, luxury cars and jewellery as humanly possible to get rid of it.

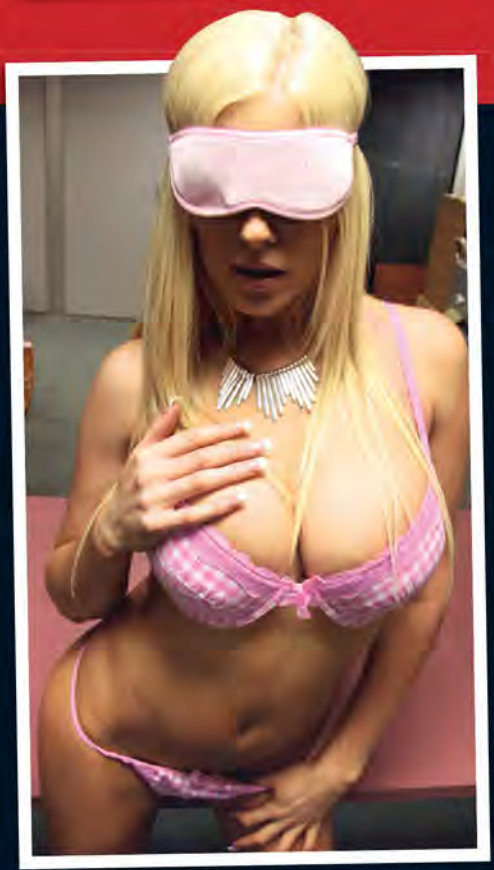
One police inspector who gave evidence told the court that Scotland Yard found 'mouldy' cash literally sitting there rotting away in secret stashes beneath floorboards. "It was no good to anybody," he concluded in bewilderment.

**DANCING WHILE SEEING STARS**

Self-styled 'religious activist', 59-year-old Kevin Johnson, was nabbed by rozzers in Madison, Wisconsin, and charged with repeatedly using a stun gun on a local dance instructor, whom Johnson declared he believed was a, "sinner, a fornicator, and a Peeping Tom".

He still insists that the dance instructor, "defiles married women" by teaching them dances which involve their bodies touching other people's. 50mg Valium three times daily and restraints 24/7. Next patient please.

# BLIND MELONS!



Until someone perfects a Braille porn mag (or 'a woman', as we think such a thing is called), there are very few ways for blind people to enjoy adult entertainment. *www.debbiedoesdownloads.com* have hit upon a wheeze, getting both men and women to record some sex stories and tales, and making them available as audio downloads. It's a monthly membership site, charging just £6.95 for 15 mp3 downloads. And why are we telling you, who can presumably read? Well, it's not just blind people who like girls talking dirty, is it? The kind people at Debbie Does Downloads have put their money with their mouth is by offering *Club* readers a free sample download. Simply visit the site and enter CLU1 for your gratis bit of filth. And if you have blind friends, tell them all about it. ♣

# CELINE DOIN'...

Doin' Jana, to be precise!

At *Club*, we're quite the furniture connoisseurs. We're never happier than when some stunner is spreading her slippy bits over an Eames lounge chair (with matching ottoman, natch), and we're delighted that Celine and Jana have here chosen to ruin a perfectly nice Le Corbusier with their combined juices.

Of course, the bloke who leant it to the photographer is either going to be livid or, if he's a perve, delighted as he sniffs the leather afterwards.Then again, the way these two delectable dykes are going at it, he'll be lucky if he gets it back in one piece. Maybe the next time we get two insatiable honeys together to fuck, we'll just go to DFS instead. Surely they've got a sale on sometime soon... ♣

# ACE IN THE HOLE!

*...and Monica is pretty special on the outside too!*

If we were a 'rival' porn mag from a lesser publisher, we'd use Monica's name at this point to make some 'topical' gags about Monica Lewinsky and Clinton's cigar, or maybe Monica from *Friends*. But no, instead we'll simply take the opportunity to say how much we want to fuck Monica in every available hole. Simple as that, really.

"Cheers," grins Monica, who isn't in the least bit taken aback and, in fact, seems quite game. "Well, all my holes are available right now, because I'm single and, to be honest, I'm as horny as fuck. All it takes is a nice smile, make me laugh and maybe you could buy me a drink and we're off."

Sweet. We'll bring the cigar and the *Friends* box set... ♣

BLEARY-EYED SCRUFF-ENTHUSIAST MATT SANDERS TAKES YOU ON ANOTHER JOURNEY TO WHERE TECHNOLOGY MEETS TITS...

## PORN STAR GRAVEYARD

**Let us pray for the dearly departed guzzlers of cum...**

### No. 8 – Savannah

Yet another tragedy from the annals of pornstar lore, the story of Shannon Michelle Wilsey is one of a fast life lived to the max. Aged just 23, Shannon, who performed in adult movies under the moniker Savannah, took her life with a 9mm handgun, a boozed-up, drug-addled mind unable to cope with the pressures of the career she'd chosen.

A teenage tearaway, she ran away from home when she found out her dad wasn't actually her biological father. Shacking up with rock musicians in LA (her conquests include Slash, Axl Rose and Greg Allman) she soon found that her striking good looks were just what the porn industry required, and by the time she was 20, she was signed up to Vivid Entertainment.

Stardom followed. A great body, big tits, dazzling blonde hair, she was the porn icon of the early nineties. But a good-looking girl on a pedestal surrounded by rock stars, porn stars and movie stars is gonna be faced with a lot of alcohol, drugs and parties, and she didn't have the self-control to turn away from these temptations. She began getting a rep for being difficult to work with, and hoovering up huge amounts of coke. A failed lesbian love affair with fellow actress Jeanna Fine and another with inexplicably popular (at the time) comedy actor Pauly Shore followed, but none brought her happiness. In 1994, after a drunken car accident which left her with a broken nose and facial scarring, Savannah saw herself in a mirror, took the gun she kept under her pillow and used it on herself. An obvious case of too much too young. RIP Savannah.

## BIRD OFF THE BOIL

***YOU WOULD, WOULDN'T YOU? OR WOULD YOU?***

***THIS MONTH: Courtney Cox***

Okay, *Friends* and its ubiquity on our television screens is an almost constant source of irritation, but there's no denying that seeing perky Jennifer Aniston and Courtney Cox back in their heydays can add a spring to one's step. Aniston is still looking damn foxy (despite refusing to appear in any film that a human male would find watchable) but Cox is hitting the borderline. Sure, there's a reason why her popular new show *Cougar Town* relies on her charm – she is a cougar after all – but sometimes she can look a little rough round the edges these days, too scrawny and smattered with ever-increasing freckles. She still looks pretty foxy when she's dolled up, don't get me wrong, but there are times when she can look a little haggard. I feel bad pointing it out, to be honest. Age isn't kind to anyone. But it's especially sad when you see a woman who you'd have once crawled on broken glass to get a sniff of her knicker-sweat starting to look like one of your mum's drunk mates who you fancy a bit but are unsure of what they look like in their undies, and you're no longer sure that you wanna find out. Oh well, I still would. Ask me again in ten years and the answer may have changed though...

Cock for Cox? Or not?

## RESPECTABALLS

***WHEN PORN STARS HIT THE MAINSTREAM...***

An outspoken supporter of Barack Obama during his presidential campaign, AVN Best Anal Scene award-winner Lexington Steele is the kind of porn star who firmly believes that he can effect change. The 40-year-old cock-wrangler has the kind of confidence that might well see him in the White House one day. In the meantime, we get to see the stud showing up on expensive shiny dramas on the TV as he segues from movies like *A Cum-Sucking Whore Named Monica Sweetheart* to appearances on *Nip/Tuck* (as a male escort) and *Weeds* (as a male pornstar). Okay, so his range hasn't been stretched yet but he's moving in the right direction. Incidentally, his *Weeds* co-stars were Kirsten Price and Jessica Jaymes, two more bongo performers hoping to get their break on national television as opposed to just starring in movies where they get semen sprayed in their faces. Kirsten appeared in a reality TV show called *My Bare Lady* (which was, almost porn) and Jessica could be seen in *Celebrity Rehab: Sober House* (which sounds like either the best or the worst thing ever on TV). May their meteoric rises continue!

Weeds: now with added cock.

## THE BIT ABOUT BABES WHO LOVE TO BLOG...

Don't you just love it when porn stars share their thoughts on ecology with the world? Look at this thought-provoking tweet from blonde fuckpony Brynn Tyler: "The polar bears are dying." Makes you think long and hard about the plight of helpless beasts that share the planet with a race of bipeds who seem hellbent on destroying it. Let's see what she follows it up with... "I love rain and movies and cuddle buddies yeeea!" Oh, okay. Right. Anyhoo, Brynn is actually worth clicking the Follow button for, because as well as outbursts such as those, plus her thoughts on the etiquette of peeing in heavy traffic, the Texan likes to upload saucy pictures of herself, pushing the limits of what is acceptable on the many image services that Twitter users employ. And here are some of her other selected tweets:

"We r out of weed. this is serious... Any insomniacs wanna get involved in a serious game of Texas hold em that can deliver it's time to do so"

"I just got dp'd by a machine and it was amazing....!!!"

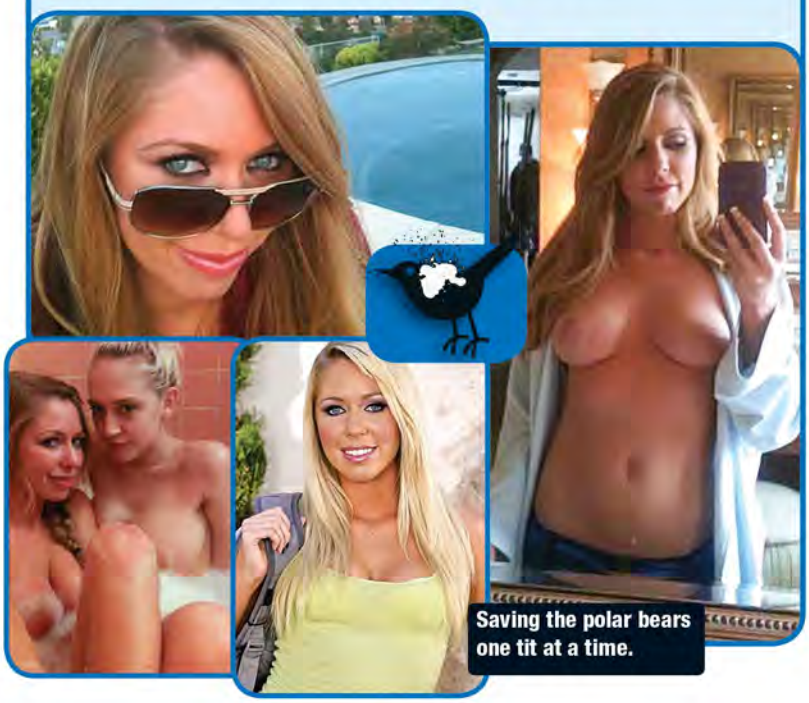
"My dog in Texas got eaten by coyotes :-("

"I hate it when guys hollar at me from there car while I'm running.. what bitch is responsible for making douchebags believe this tactic works"

"Did anyone else used to masturbate to the Spanish channel muted or was that just me?"

"I NEED some weiner ..."

You can find Brynn over at *www.twitter.com/brynntylerxxx*. She's pretty chatty so drop her a line and tell her I sent you. And tell her I wouldn't mind having a squeeze of those puppies while we're at it.



Saving the polar bears one tit at a time.

## HD T&A – THE WAY GOD INTENDED...

Is it me, or is there a severe drought of famous birds taking their togs off in mainstream movies at the moment? A few years ago, we were blessed with the likes of Halle Berry, Liv Tyler, Sharon Stone and Heather Graham getting their jugs out in cinemas on a regular basis, but we've yet to see much more than cleavage from the current crop of big name foxes. I know I haven't seen Megan Fox's clunge yet. So it's a good thing the aforementioned Ms Graham is happy to get her pendulous ya-yas out in the otherwise well-ropey drama *Boogie Woogie*. Just out on DVD and Blu-ray now, it's a comedy drama set in the world of art and fashion, and features a bevy of beauties and a smattering of sex. Gillian Anderson off the *X Files* gives a blowie to a fella in it (annoyingly, you only see the back of her head, not the bit where the ding-dong goes in), Graham's tits are felt up by a short-haired lesbo Jaime Winstone (and she also gets to play with the world's grossest dildo), there's a glimpse of *Hollyoaks* veteran Gemma Atkinson's T4's and Amanda Seyfried wears a criminally short skirt throughout, giving us a nice peak at her panties when she has a rollerblading mishap. Okay, you'll be hard-pushed to actually crack one out to all this, but your Blu-ray player's pause function will give you some high-def wallpaper to gaze longingly at.

## TRUDGING THROUGH THE WORLD'S SEX TRIVIA SO YOU DON'T HAVE TO...

In Japan, condoms are sold door to door, by women (though we're not sure you're allowed to try them out on the sales staff)

Male bats have the highest rate of homosexuality of any mammal (which possibly explains Batman and Robin's relationship a little better)

Whales, as you might guess, have the world's largest penises. The blue whale has a ten foot dick that is one foot in diameter (that's a lot of cock)

In ancient Greece and Rome, dildos were made out of animal horns, gold, silver, ivory and glass (helpful if you were feeling 'horny', heh)

Semen contains zinc and calcium, both of which are proven to prevent tooth decay (another one to add to the list, fellas)

**Coming to a thief sat near you soon.**

### Apple iPad

Approx £400.

**www.apple.com**

Yes, you may just have heard of this one. Along with the early adopters, there are plenty of early haters too but, let's be honest, Steve Jobs and crew know how to give good 'wow factor'.

So while there are plenty of issues with the iPad – it's not the nicest e-reader due to its different e-ink technology, it's lack of Flash looks like a landgrab on Adobe's market share to us – it does the simple things beautifully. Internet browsing is a pleasure, iPhone apps work a treat, and watching video on the way to work just got easier. That said, you are going to get yours stolen from you on a train by some ruffians. And it serves you right.

**Pros:** Has that Apple appeal, looks beautiful, easy to pick up and use.

**Cons:** The usual added expense of buying it in Britain, no Flash, being robbed by ruffians.

### Pure Digital Sensia

£250

**www.pure.com**

Music and tech snobs might claim that they go for function over form, but many of them are major league bullshitters. They'll often go for something that looks magic and overlook any technical glitches along the way. The iPhone being a useless phone, for example. Happily the Sensia looks the part and works a treat too, even if it could be mistaken for a rugby ball that's somehow come in the window. It gives you all the digital radio and podcasts you need, plus has an input for your iPod or similar (plus can stream music from a nearby wi-fi computer), and its touchscreen menu is all swipey, sweepy and *Minority Report*-ish. Just don't go throwing it to Mike Tindall.

**Pros:** Compact, great touchscreen menu,, rechargeable battery 'pak'.

**Cons:** Maybe a bit high end when you just want to listen to a bit of 'Fighting Talk' on 5Live.

### Sonos ZonePlayer S5

£350

**www.sonos.com**

My, how we loved it when the traditional family hi-fi was replaced by a sleek midi box. And then that was usurped by something even smaller and shinier. Now, they're doing away with the wires – many a housewives bugbear, as we've found to our cost – and things are lovelier still. The ZonePlayer S5 is a wireless system with 5 speakers (2 tweeters, 2 mid-ranges and 1 subwoofer) powered by 5 amps. It syncs sweetly with iTunes, so is handy to take out to the back garden for barbecues, and you can download an iPhone app that lets you use that as a remote control, making you more smug than ever before. Aren't you great?

**Pros:** Crystal clear sound, feature packed and carries some oomph too.

**Cons:** Where's the cassette deck, innit? ♣

# TITTY SLICKERS!

Nikki says suck 'em and see...

Oh god, would you look at those boobs? It's really no surprise that Nikki can't stop sucking on them herself, they're so tempting.

"I really can't!" giggles Nikki, lifting them to her mouth for another go. "I used to have a problem having orgasms during sex, until a guy I was fucking spent a while sucking on my nipples. Turns out they're more sensitive than my clit!"

So basically we could make you very happy just by titting you up?

"Yes, but don't be rough with them. Treat them kindly and I'll reward you with wet, sloppy blowjobs."

We think we've just found our future wife. Apologies to the current one. ♣

**NAME:** Daisy **AGE:** 26
**VITAL STATISTICS:** She's not telling!
**WHAT'S SHE LIKE?** She knows her mind and what she likes in men.

**WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?**
Really? To be wanked over by your readers in the same way I wank over all the fit girls in *Club*.

**I THINK MOST OF OUR READERS WANK IN A SLIGHTLY DIFFERENT WAY TO YOU.**
It's a good job, isn't it? I used to like finding my boyfriend's *Club* with the pages stuck together, and I'd see which girls he favoured. Now I want the pages with me on to be all stuck together!

**WELL, IT HELPS IF YOU TELL OUR READERS HOW DIRTY YOU ARE...**
Oh, I bet I'm the dirtiest girl you've ever had in Readers' Girlfriends. I'm up for absolutely anything.

**HOW ABOUT FILLING THAT TEMPTING ARSE WITH A TOY FOR OUR WEBSITE?**
Consider it done! I want the camera to get really close while I open up my bum with a dildo. But once I've had a toy in there, I'll want the real thing shortly afterwards.

**WE'RE SURE SOMEONE WILL OBLIGE.**
They'd better. Maybe your readers can write in and the one with the dirtiest, most imaginative letter will get to fuck me right in my arse. Obviously my pussy had better get some as well. And my mouth likes dick too...

## WORLD CUP WONDERS

**CLUB'S COLLECTION OF MUST-HAVE TUNES FOR THAT WORLD CUP PARTY**

**3 LIONS – BADDIEL & SKINNER & THE LIGHTNING SEEDS**

Shove a funny Brummie in a recording studio with his mate and a few scousers and what do you get? The all-time classic footie anthem. Making the hairs on your neck stand harder than a Viagra-fuelled cock, this was so good that it got released twice.

**VINDALOO – FAT LES**

Dennis Pennis, Lily Allen's old man, and a fat chap in a nappy produced a nationwide excuse to act like a dick for 4 minutes without fear of getting ejected from your local watering hole. Guaranteed to make the carpet wetter than a Slovakian bird's fanny.

**NESSUN DORMA – PAVAROTTI**

Possibly not the obvious combination, but classical music and footie went down like roast beef and Yorkshire puddings whilst providing the uncultured amongst us with the ammunition to finger a posh bird.

## WORLD CUP WONDERS

**WE'D RATHER HAVE THE SCOTTISH 'SONG'**

**WE'RE ON THE BALL – ANT & DEC**

After the embarrassment of *Let's Get Ready To Rumble*, you would have thought that these Geordie clowns would have played it safe with Saturday night television. The musical equivalent of Chris Waddle's 1990 penalty – off target and not on the ball.

**WORLD IN MOTION – NEW ORDER**

Dodgier than Steve McClaren's reign, Jon Barnes' rapping was never gonna make 50 Cent lose any sleep. If the lads had spent less time in the studio and more time practising penalties, who knows what could have happened?

## NO MORE SUPERMODELS AND NO MORE SYRINGES...

***After years of average songs, contributions to the opium industry, and intercourse with Kate Moss, The Libertines have finally kissed and made up. Their gigs at the Reading and Leeds festivals are set to be the highlights of the summer, so Club have dug out an interview with Carl Barat and Pete Doherty from May 2002...***

***Club: Have you got any sisters?***

**Carl:** Yeah, I've got a few.

***Club: How old?***

**Carl:** All sorts of ages. 12 to 25.

***Club: Have you got any in the 16 – 18 range?***

**Carl:** Not just yet but if you hold your horses!

***Club: And how about yourself then Pete?***

**Pete:** I've got two sisters. One's 23 and the other's 15.

***Club: 15, oh yeah! Another 12 months time and I'll be phoning you boys up!***

**Pete:** Good luck mate, she'd give you a run for your money! She's a bit wild. I worry about her actually.

***Club: Have you two got girlfriends or anything?***

**Carl:** No

**Pete:** No, but we keep ourselves busy!

***Club: Does being in this band help you get backstage blowjobs and stuff?***

**Pete:** I think that's always been life anyway, just lookin' for birds and stuff.

***Club: So as far as shagging is concerned, you'd be in the Premier League would you? Or in the Division One play offs?***

**Pete:** We'd probably be banned from all competitions! Well, you can't go round calling yourselves The Libertines, unless you got..., anyway, actions speak louder than words don't they? Do ya wanna fuck?

**Club:** ***What sort of girls do you like? Blondes? Big tits? I mean, my little theory is like, well, if they've got a firm tight little arse then everything else comes as part of the package deal. You can forgive a lot.***

**Pete:** I think generally the girls with the nice faces are pretty great. It's the face that gets you first. And also, if you like someone's face, unless they're massive, like that Irish bird the other day, you're not that bothered about the body 'cos you just wanna look them in the eyes.

***Club: You're right there.***

**Pete:** [To Carlos] Who was that ballerina the other night? What did she say? She said, "I'm on the blob, but you can whiz in my mates moof if you like!" That fat Irish bird though, getting back to her, she was just like, well I've never come across anything like it. I fell asleep, and then I woke up and she was just licking my arsehole! It was absolutely scandalous.

***Club: Nice.***

**Pete:** It was alright but we didn't have any toilet paper at the time. It was scandalous but she didn't care!

***Club: Have you ever had any sexually transmitted diseases?***

**Pete:** Funnily enough, my Mum phoned me up the other day and she said, "I can't talk to you now, but I just wanted to tell you to get an AIDS test, because I was reading in the paper that AIDS is rife." So, I'm a bit worried now!

***Club: Quality.***

**Pete:** I've had a couple of nice little rashes.

***Club: Is it easy to get rid of them?***

**Pete:** Yeah, just sit tight! ♣

# ON THE GAME

## LOST PLANET 2 *(CAPCOM)*

*PS3, Xbox 360*

★★★★

The first *Lost Planet* game sold pretty big numbers – some 2.2 million units worldwide, we're told – but despite that the critical response wasn't entirely positive. People liked it, but they didn't like it that much. Me? I loved it, that's because I'm an idiot who gets sick playing first person shooters, so a third person shooter is a godsend. *Lost Planet 2* is more of the same – slick, deep, great looking – with a fine single-player mode bolstering the inevitable online mayhem. It's still an 8/10 game, rather than being in the top tier, but it's enough to stop me being sick for a while.

## RED DEAD REDEMPTION *(ROCKSTAR)*

*PS3 , Xbox 360*

★★★★

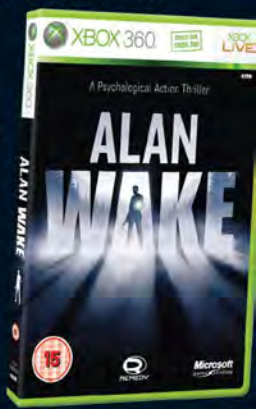
Personally, I've never found the world that *Grand Theft Auto* is set in all that compelling, which is why I've been salivating over the prospect of *Red Dead Redemption*. A sandbox game set in the old West? Swearing? It could be like *Deadwood* the game. And it very nearly is. Rockstar's famous attention to depth and detail means there's a ton of stuff to do here, with both a driving narrative and heaps of side quests and mini-games. Fine voice acting, dozens of characters, big fucking bear attacks, what more do you want, pardner?

## ALAN WAKE *(MICROSOFT)*

*Xbox 360*

★★★★

More long-awaited than the second coming, *Alan Wake* has been trailed pretty much ever since the 360 was launched. Would it be one of those famed titles – *Duke Nukem Forever*, *Bandersnatch* – that never saw the light of day? But at last it's with us, and it was pretty much worth the wait. You play the eponymous Wake, a crime author with writer's block whose fiancee disappears in a small town. But it's the gameplay innovations rather than the (admittedly very good) story that propel this. Light and dark become tools for combat, the pacing is cinematic, and there's both combat and more traditional puzzling combined sweetly. We're not sure why it took so bloody long, but this is still a praiseworthy attempt to craft something pretty unique.



# TALKIN' BLUE

**Got an experience to share? Then send it in to Talkin' Blue at the usual address and if it's up to scratch you'll bag yourself £50!**

**STRIP POKE-HER!**

I first saw Jennifer at a sleazy strip joint in the East End when a bunch of us took a friend there for his birthday. My mates laughed when they saw this stripper who looked like my double, and Jennifer herself was quite taken aback to have her lookalike slip some cash into her G-string!

We got talking over a drink later and she offered to teach me to dance, thinking we could maybe do a double-act. And we did our first show the other night. In rehearsal most of our moves were faked, but the spotlight and the cheering crowd really turned us on. When we'd caressed each other's tits – Jennifer sucking on my nipples – then yanked our panties down, her fanny was hot and juiced up, leaving a big wet streak the length of my thigh as we ground against each other.

In fact, we got a little carried away, and just kept on dirty-dancing as the final song of our set faded away. But the DJ picked another sexy track as we slithered to the floor, rubbing our cunts together. Jennifer's a born dancer and she moved rhythmically, seeping her hot wetness

**"Jennifer fucked me with the dildo, angling it so it hit my G-spot with every thrust, her tongue on my clit..."**

into my hole. And I just ground right back hard against her, shaking my tits and moaning. We were ignoring the money the men were throwing onstage, just lost in screwing each other.

I came before the music faded, a warm sensation spreading through my body as my hot twat shivered against Jennifer's. Then we really had to leave the stage – I feel sorry for whoever had to follow our act!

Not that we cared: we went backstage and picked up where we left off. It was Jennifer's turn to cum and so I laid her on the daybed, spread her legs as wide as they'd go and ploughed my tongue into her hole. The honey flowed out of her and I drank it down. We didn't care who saw us, as she humped against my mouth in orgasm.

Another dancer, Zola, said she'd love to join in but she was wanted onstage. Instead, she tossed us one of the dildos she sometimes uses in her private shows. Jennifer grabbed it and started to play it over my body, in between my tits and arse cheeks.

She laid it along my slit and pressed her own cunt on the upper surface, riding me pussy to pussy with the toy in between. Then she pushed the dildo inside of me, inch by inch, pulling out then fucking in a little further each time until it was good and deep.

It's a cliché to say that only a woman really knows how to satisfy another woman, but today it seemed true. Jennifer fucked me with the dildo, angling it so it hit my G-spot with every thrust and swirling her tongue on my clit. It felt like every part of my pussy was throbbing, and I bucked my arse clean off of the bed as I came.

The dildo was still wedged inside of me as I lay there, panting, my head swimming. Jennifer pulled it out and licked it, using her

fingers on my G-spot instead – another orgasm hit me like an aftershock.

She got the idea of offering a very special private dance to a lucky guy – and we found one who'd turned 21 that day. We took him into the back room and Jennifer began to dance, rubbing up against him. He stuck to the rules, not touching her, but she made up for it, rubbing her tits and cunt all over him.

She unzipped him to expose… well, the kind of a hard-on you'd expect a lad of 21 to be packing in a strip joint! Then she told him to play with himself because that's what she'd be doing.

Now I bent her over and slammed the dildo into her cunt, making sure he saw everything. I fucked her hard; then when I saw him reach the point of no return, told him to shoot his spunk on her arse, while I spanked them with my tits and kept fucking her with the dildo. It was dripping with all sorts of cream when we gave it back to Zola, but Jennifer thought she'd like that! Then we went home to play with my toy collection…
*Toni, London*

**FORTUNE FAVOURS THE SHAVE!**

I've always been a little shy and self-conscious, figuring men only liked women with serious curves and big boobs. Then I met Jack who said I had the nicest tits he'd seen in his life. He wasn't just being nice – I'd see him gaze at my boobs when we were out, then move around in his seat to ease the strain on his dick!

One time in a restaurant, we sneaked out the back. The poor boy was so horny he couldn't wait for me to get out of my jeans. "Just show me those tits," he groaned. Then, the instant I got his cock out of his jeans, he was dousing them in spunk. I mopped it up, rubbing it in, and we went home for an early night. He fucked me long and slow, hands and mouth all over my boobs as he made me cum, then he came himself, deep in my twat this time.

That's all well and good, but I like when he cums on me, especially my sexiest parts! So as a treat for both of us, I asked him to shave my pussy. It's always trimmed neat, but I'd never had it all removed before. He was already hard when I lay back on the bed and splayed my thighs. Then he soaped my bush and used a safety razor to shave me smooth, stretching my skin as he laid it pale and bare. He patted my pussy dry – it felt so naked and sensitive, and soft beneath my fingertips.

I reached forward, got his dick in both my hands then began to wank it, palm over palm. He didn't go near my cunt, frustrating us both; then I felt his balls get tight and his cum shoot out. The heat as those salty drops hit my newly bald skin got me whimpering with pleasure. I reached down to touch myself but Jake brushed my hand aside.

He smeared his cum all over, coating my pussy lips with sticky stuff. Then he went down on me, tongue raking my slit and stirring around in my hole. He trapped my clit between his fingers, squeezing and rubbing.

As I came, I felt him swallow, sucking down all the juices as they flowed out. Then he licked his way back up, wetting my nipples. Just as I thought I couldn't cum anymore, his dick, semi-hard again, brushed over my clit as we kissed, sending another bolt of pleasure through me.

I started humping up against him to get him hard, catching hold of his dick and working it against my puffy slit. With no pubes to soak them up my juices were streaming out, my entire pussy slick.

I got him inside of me, but he only fucked me for a few strokes before pulling out and flipping me on my belly. Now he did me lying-down doggie, body stretched out over mine. That way he could slide his hands under me to cup my boobs, or else reach down to give my clit more attention. The size and weight of him, pressing down and spreading me, had me grinding.

I started to cum, felt myself tauten around the thick length in my hole, then pulse in ecstasy as my orgasm rippled from my clit and through my pussy. He stayed in deep, then started to fuck me harder, till he was really pounding in and out. Then I felt a gush of spunk high inside of me. He pulled out, working it all over my slit and crack, scooping it all out with his fingers to rub in. He dipped a finger in my snatch down to his knuckle, which got me squealing and jerking around on the bed.

**"I started to suck again, hand wrapped around his root so he could fuck my mouth..."**

I hope you liked reading this – I've never felt so sexy so I thought I'd write to *Club* and share it! I now keep my pussy shaved and, maybe it's wishful thinking, but I'm convinced no shop-bought lotion keeps my skin as smooth and soft as a generous shot of cum!

*Mary, Wirral*

**WAITER, THERE'S A DICK IN MY PUSSY!**

I'm dating an older guy, a successful businessman named Charles. He's so attentive in bed – he'll go down on my aching cunt for hours until I can't cum any more. But when we socialised with his business friends, I'd feel like I was just his piece of arm candy – a trophy blonde. One night at a party he told me, "Go get a drink, amuse yourself..." and I took him at his word. I scoped out the room, my eyes settling on a really good-looking waiter – Tony, according to the nametag on his chest. Well, the wait was over for him now I was serving up high-class pussy, no platter required!

We sneaked into the garden and stripped each other naked, kissing passionately all the while. He was ripped from the gym with cool tattoos and by the time his hand was cupping my cunt, I was flowing wet.

When I unzipped his black trousers, his cock sprung out, red-tipped and rigid. He groaned as I gave it a playful stroke, just testing it out, feeling the veins pulse against my palm. Already, I could feel the tip of it begin to seep with slippery pre-cum, so I worked it over his helmet, then used the tip of my thumb to strum against the join between it and his shaft. This drove him crazy. He began to suck hard on my tits, so I wanked harder too, then he moaned at me to suck him off, stroking and gently pushing on my head as I kissed my way down over his flat tummy.

His prick was even more tempting close up. I lapped the salty glaze off of the head, catching more drops on my tongue as they oozed out. Then I sucked him in, taking a long, self-indulgent slurp before looking up, my eyes locking on his as I used my tongue to get his helmet bulging in my cheek.

I let him take in that sight then started to suck again, hand wrapped around his root so he could fuck my mouth. Then, just as he built up a rhythm, I pulled away, told him I wanted his cock inside of my cunt right now.

He settled on a seat and I straddled him, reverse cowgirl, grabbing his knob and, savouring the anticipation as I teased him, tapping and rubbing him up against my clit. Then I sunk down on him – he gasped – and started to ride him as hard as I could.

He was a big, strong bloke, thrusting up into me like I weighed nothing. Then he just let me fuck him, drawing him in deep and squeezing him with my cunt while my fingers crept down to his balls. They were full and heavy, like he hadn't lost his muck in weeks. As I worked them between my fingers, he groaned, humped up into me a little more, then clamped his arms down on my thighs, holding me tight and deep on him as his jizz spurted out.

I felt it fill me to the brim. He kept holding on tight to me, sucking my nipples then groaning as my pussy clamped even tighter around him. He stayed inside of me as long as he could bear, then I lifted myself off of his dick, frothed-up cream splashing out all over it as I frigged myself to another orgasm that got my entire body shaking.

We dressed and went back in before Tony's boss missed him – no chance of that happening with me and my other half, who was still talking shop with his business pals. I smiled sweetly until he took me home.

I could have kept it my dirty little secret, but when he asked what I'd been doing with myself, I told him the truth, that I'd banged a waiter. Then I proved it by showing him my knickers, soaked through and streaked with traces of jism. My pussy was still puffy and dripping with cream from my orgasm.

Charles got me on all fours, stroked himself hard against my arse crack, then thrust into my cunt, doing me frantically until we both came, leaving my twat a wet, spermy mess once again. Screwing Tony was a spur-of-the-moment thing, but if this is the effect it's going to have on my sex life, I may have to make a habit of it. Let me check my social diary...

**RATINGS:** ★ LIVING TV ★★ LIVINGSTONE, I PRESUME ★★★ LIVING LARGE ★★★★ THAT'S LIVING ALRIGHT ★★★★★ LIVING DEAD

## CITY OF THE LIVING DEAD (ARROW VIDEO DVD £17.99, BLU-RAY £22.99)

Lucio Fulci may be best known for *Zombie Flesh Eaters* (or *Zombi II* to aficionados), but the king of Italian gore was no flash in the pan, and in the early 80's was in a rich vein of form that would soon fall foul of the Video Recordings Act. *City of the Living Dead* is one of his minor masterpieces, perhaps not in the same sphere as *The Beyond*, but a great piece of gore nonetheless. Arrow Video have done it full justice, restoring the film to its uncut glory and offering a ton of extras. Star Giovanni Lombardo Radice offers a commentary, and a documentary about his numerous on-screen deaths in zombie movies. Fulci is remembered by former colleagues and cast members, and there's a poster, six postcards, a booklet full of interviews and stacks more besides. The film? If you know it, seeing the Blu-ray print is like discovering it anew, and if you don't know it, you're in for a treat. ★★★★★

*Arrow Video have kindly given us 2 Blu-ray and 3 DVD sets to give away. Simply email 'They're alive!' to clubint@paulraymond.com or write in on the back of an envelope sent to the Club address for your chance to win one.*

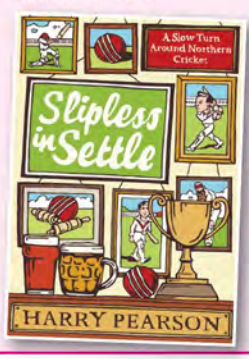
*To tide you over until the next Dan*

## SLIPLESS IN SETTLE – HARRY PEARSON (LITTLE, BROWN £12.99)

Harry Pearson, regular *Guardian* columnist, can do 'gently humorous' in his sleep. This book, subtitled *A Slow Turn Around Northern Cricket* is the ne plus ultra of gently humorous. It's also a sweet corrective to the brashness of 20/20 cricket, and there's more actual cricket played in these unfashionable northern leagues than anything the Chennai Super-whatevers can muster. There's genuine affection for a form of the game where miners can line up next to ringers. Howzat? Fine, thank you very much. ★★★★



## Shameless Series 7 & 1-7 BoxSet (4 DVD, £34.99, £99.99 boxset)

Frank Gallagher is an unlikely hero, but over 7 series of *Shameless* he's become a cult figure, a shambles of a man with his heart in the right place and a drink to hand. Series 7 follows the Maguires as well as the Gallaghers in this splendidly grubby soap opera. A latecomer to the Chatsworth Estate? 4DVD have just released the whole kit and caboodle in a hefty box set that's a must. ★★★★

*4DVD have stocked us up with 3 DVD's of Series 7 and 3 box sets of the complete Series 1-7. Put your name in the hat for winning one by emailing 'Frank is my dad' to clubint@paulraymond.com*

## Mutants (Momentum Pictures £15.99)

Vampires and zombies – where would film be without them at the moment? *28 Days Later* seems to be the inspiration for many of the current cyle of zombie movies, and the director of *Mutants*, David Morlet, confesses he was inspired by that film's sequel. He adds some interesting tweaks of his own, however, as he depicts a world ravaged by a pandemic that has left humanity a bunch of deranged mutants. Protagonists Marco and Sonia set off for 'Noah', a military station where scientists are searching for a cure – but there are trials and twists along the way. A promising debut from a French name to watch. ★★★

## Caligula (Arrow Video Blu-Ray £19.99)

Notorious, divisive and storied, *Caligula* might not deliver in plot or coherence, but it delivers in excess and for being a film that famously intercuts performances from British cinematic legends – Gielgud, O' Toole and Mirren – with porn. Director Tinto Brass and producer Bob Guccione fell out during the making, and Gore Vidal's script was turned into vivid mess. It's even more vivid in Blu-ray, with alternate and deleted scenes, a collection of documentaries and some nifty packaging. Love it or hate it, this is the version to have. ★★★★

*Arrow Video have furnished us with 5 Blu-ray sets to give away. Email 'Brassed Off' to clubint@paulraymond.com to grab one.*

## Astro Boy (E1 Entertainment £17.99)

A genuinely big deal in anime circles, it was only a matter of time before *Astro Boy* got the Hollywood treatment. And the tale of the young robot's journey towards being a hero doesn't lack for star power in the voice-acting stakes. Nic Cage, Donald Sutherland, Charlize Theron, Samuel L. Jackson and Bill Nighy all take their place in the vocal booth, with Freddie Highmore excellent as Astro Boy himself. It's a great kids film, but with enough crossover appeal for adults too. We're all kids at heart, yeah? ★★★★

*We've got 3 copies of Astro Boy to be won. Just email 'Big in Japan' to clubint@paulraymond.com or write it on the back of an envelope sent to the Club address.*

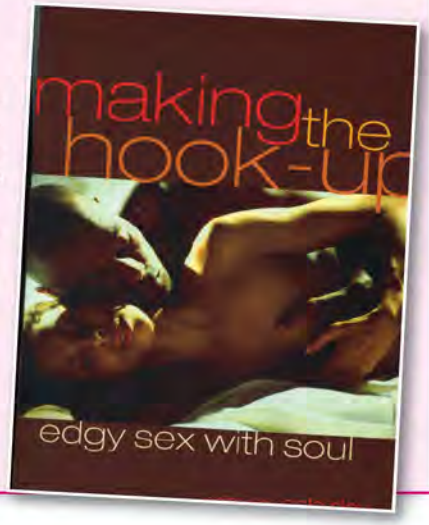
## Making the Hook-Up – Edgy Sex With Soul – Ed. Cole Riley (Cleis Press £10.99)

Many erotic fiction anthologies are little better than door stops full of the same tired clichés. People who think rubbing an ice cube over the lips of a blindfolded woman is the height of erotic experimentation – we've all seen *9 1/2 Weeks*. But this one is a little different, as it's a collection of black interest erotica, bringing an 'urban edge to kink', apparently. There's some good writing – something you don't find in many of these things – although the marketing focus on 'urban' and 'street' is a little bit patronising.
★★★



## The Night Stalker – Philip Carlo (Mainstream Publishing £9.99)

Richard Ramirez – the Night Stalker – killed 13 people in Los Angeles between 1984 and 1985, and has been festering on Death Row pretty much ever since. Carlo's book goes deeper than any previous account of his life, mostly due to 100 hours of exclusive personal interviews with Ramirez himself. It paints an ugly picture of a slide into insanity and depravity that ended up terrorising an entire city. You're left wondering at the murder groupies who write him letters, but cheering at the people who chased him down in the street and bought him to justice. As true crime books go, this is a doozy.

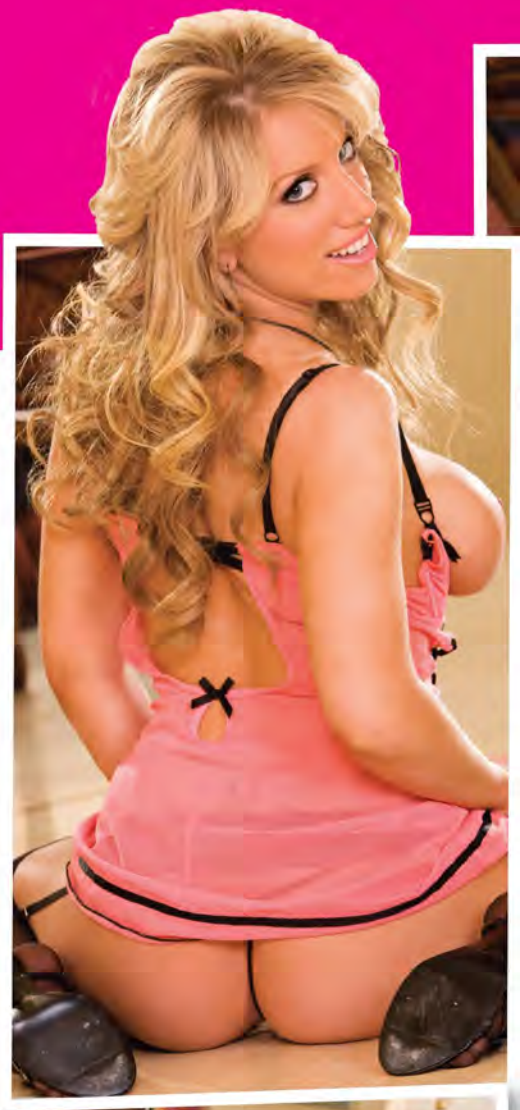
# PEACHES

**The place to be for the world's dirtiest backdoor sex stories. There's no such thing as a 'wrong hole'...**



**REAM SERVICE!**

When I found myself single for the first time in three years I decided to drown my sexual frustrations in jizz. I sent a flirty email to Mark, an old boyfriend from a long time ago, and posted an ad online. Mark said I should hook up with some of the other takers, gorge myself on dick. That's when I decided I wanted a foursome.

I booked a hotel, staying the night with Mark. The next day, the first new bloke, Daniel, arrived. While Mark went on a beer run, we got naked and I sucked Daniel's dick.

"Beer or pussy?" mused Mark on his return, as my arse waved temptingly before him. He chose both, trickling the cold beer down my crack, mouth in position to catch it. And he kept a stream of it wetting me, as he chowed down on my snatch.

Daniel had driven two hours with an ever-swelling hard-on so it didn't take long to get him spunking in my mouth. I opened wide so he could see himself shoot, then gulped it down. I didn't want to interrupt Mark's tonguing – he could watch later! He made me cum a couple of times and then while I took a beer break, my phone rang – Kirk was minutes away.

He walked in through the unlocked door to find the guys splaying my legs, and me fingering my cunt, spreading it open. He told me to stay just as I was, undressed and dropped to his knees, then slowly wanked his dick with one hand as he teased my slit and smeared the juices on my arsehole with the other. Well, he had warned me he was an anal fiend!

As he lubed me, Mark and Daniel raised my legs right up and back. Kirk didn't want me from behind, he wanted to see my face as he slipped his bone in my arse. He must have got a show, as I felt every stiff, fat inch of it slip in, easing my bum open. Whenever it felt like too much to take, he'd give my clit a tickle, releasing the pressure. Then, as he started to thrust in and out, he frigged me harder, the waves of pleasure radiating out from my crotch.

My cunt was throbbing, pouring with juices, twitching as Kirk's prick reamed my arsehole. And now the other guys began sucking on my nipples. I was all hyped up, and suddenly my bum clenched tight. Kirk kept on fucking it, and then I felt him blow his spunk deep inside me.

I'd only just got started, so seeing Mark's dick hard and ready, I got him on the floor and started to ride him. I'd fucked him so many times, knew just how it felt, but I don't think I've ever been so turned on. My arsehole was tender, slick with juices, and now Daniel was jerking himself up against my tits.

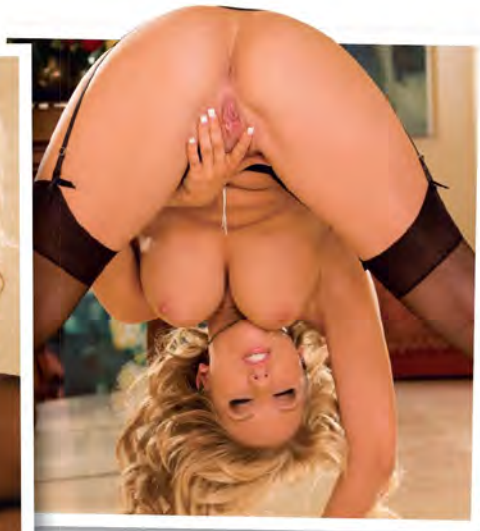
***"He wanked his dick as he teased my slit and smeared the juices on my arsehole..."***

Kirk took what had to be the world's quickest shower and was already stroking his hard dick again as he came toward me. I watched it slide in and out of his fist, then fed him into my drooling mouth.

It seemed surreal – a hard cock pumping my snatch, while another screwed my mouth and I tugged a third. Daniel's was twitching in my hand now, so I squeezed a little harder, felt the cum splatter on my boobs. Mark is pretty good at staying in control, but now he reached up to play with my tits, spread the cream on them, and that set off his climax too. No surprise that Kirk was the last to jizz anyway, although it happened quicker than I expected. And this time I let it overflow out of my mouth and onto my tits.

Since then, I've been fucking all three guys – Daniel every couple of weeks, Kirk whenever he can sneak a couple hours away from his wife, and Mark most often. I'm getting my fill of cock, but I'm always on the lookout for more!

*Carla, Manchester*



**TOYS 'R' ASS**

My two best girlfriends are Karen – a bisexual babe like me – and Jane, who's a full-on lesbian. Every couple of months or so we'll all take a sicky from our jobs and fuck each other's brains out. It's a cheap thrill – all we need is a few bottles of wine and fresh batteries for our sex toys.

It's a total free-for-all threesome – suck or fuck whichever willing tit or cunt you like, and Janey's now got into anal at last! She resisted for so long, even with us telling her how good it felt, and then she finally let a dyke slide a butt-plug in her arse – and almost humped her face off when the girl sucked on her clit.

So Karen and I double-teamed her, fucking her cunt with a big dildo, just to get her hot and ready. She let out a little squeal as I squeezed some lube on her pucker, then I pulled the toy out while I fingered her bum, before slathering it with slippery goo and sliding it in her tightest hole. Karen moved in to vibe her clit, and that was it.

As her arse went into spasm, I gripped the dildo really tight and Karen rubbed up on her, tit to tit, holding her steady on the bed. "Just don't stop fucking me," Janey groaned, and I wasn't planning to. I was gazing at her pussy, watching it swell and quiver as she came time and again. We fucked her halfway to exhaustion, though a large glass of wine refuelled her. Then Karen said, "I think she's ready."

Janey's eyes widened when Karen brought out her strap-on. It's always freaked her out a little, too much like taking a real cock. "It's okay, you just watch," Karen told her, and began to play it up and down between my pussy lips, probing but not penetrating. I was on edge but it got to Janey just as badly. Karen had tossed her a vibrator to play with, and she was pumping it furiously in and out of her cunt. We both gasped when Karen suddenly rocked her hips forward, nailing me with the fake dick. Her fingertips clawed at my hips and her pelvis slammed against my arse cheeks, as she banged me like a pro.

"Think how good it would feel in your arse," I groaned between orgasms, and soon Janey was begging Karen to fuck her too.

"You sure about this?" said Karen, loving this turnaround. Janey got on her hands and knees and spread her cheeks.

I said she should try it in her pussy first, and she agreed, moaning as the latex length slid in down to Karen's harness. Meanwhile I lubed her crack, then sucked her tits as Karen slowly eased the toy into her arse. It took a while for her to take it and get used to the girth – then she began to grind back as Karen thrust in and out.

I took the vibrator and used it on my clit, right in her face, before laying back so she could eat me out. It was so hot – she just clamped her mouth on my cunt, tongue sticking out, letting Karen shunt her on and off of me. Then she began to slurp and suck, tugging on my crotch as she got arse-fucked.

Janey was so turned on – I heard her moan, mouth buzzing against my twat, squealing as Karen pegged her arse a little deeper. Then as her tongue ploughed in and out, I vibed my clit, cumming salty-sweet rivers in her mouth.

The big advantage with girl sex is that it doesn't have to stop when you've all cum, not that Karen and I would use that as a reason to give up cock. Actually, we're fucking Janey with dildos as much as possible to try to turn her onto the idea of fucking men. The choice is hers, but when just Karen and I get together to fuck, we fantasise about seeing Janey take a big dick for real.

*Rachel, Bolton* ♣

## COUPLES CAMP (WICKED PICTURES)

Okay, so we know the Wicked way by now. Jonathan Morgan directs, a bunch of glossy looking sorts with big norks cavort with condoms, and it's all very pleasant indeed. But this one throws up a nice surprise – no, someone doesn't do a fluorescent sex wee, silly – in the shape of Kara Novak. Why didn't we know about her before? She's lush. Mikayla Mendez, Jenna Presley and Rayveness we know and love, but no-one gave us the memo about Kara. CC us in next time, yeah? ★★★★

## EVIL ELEGANCE (HARMONY)

Gazzman's US adventure continues as he brings together Maya Gates, Kagney Linn Karter (award-winning and lush to look at but overrated as a porn star), Paulina James and more for this highly watchable doink-fest. The lighting is just so, the sex is up-close, and the girls are styled as well as you'd expect. Sounds easy, but it isn't – and we've seen enough shitty porn in our life to know that this is how to do it right.★★★★

## BAD GIRLS 3 (DIGITAL PLAYGROUND)

One of my formative porn experiences was the original *Bad Girls* (the 1981 version), so it's nice to see the name still alive and going strong. You've got to say, this version has some nicer ladies in it – Jesse Jane gives us two strokeable scenes, Riley Steele is unbelievably fit from every angle, and while Jenna Haze's scene isn't in the top tier of her work (i.e no bumming), she never let anybody down. All that and about 94% less pubic hair as well.. ★★★

## Vron makes us welcome...

MORE TROUBLE

Usually, we shoot models in a studio or in a location that the photographer has 'discovered'. But Veronika – or Vron to her friends – invited us into her home. And very nice it is too.

"It's simple, because I don't spend much time here," she reveals. "I tend to be out and about in clubs where I dance. And I prefer to go back to a guy's place so I can leave when I want to! I hate having a guy here in the morning after sex and he won't take the hint and leave. It drives me crazy!"

Don't worry, we're off... ♣

# UP FOR THE A-CUPS! ♣

*Andrea proves that small is beautiful...*

A wise man once told us that, breastwise, any more than a mouthful is a waste. And Andrea's perky little bee-stings are definitely up there when it comes to membership of the itty bitty titty committee. She's rightly proud of them...

"A lot of my girlfriends have had boob jobs," she says, "but I like my little tits. They're pert, my nipples are sensitive, and I can go braless whenever I want."

That, we like.

"Me too, it means a man can tell very easily if I'm turned on or not – he'd have to be an idiot to miss the signals when my nipples are hard."

But what about the all-important titwank? What about that?

"Who needs a titwank when you can slide into any of these three holes?"

Good point... ♣
